

smartlinx + Rain

Cash out when you clock out

Rain gives you easy access to your earned money before payday.

Smartlinx has partnered with Rain and your employer to empower you to cash out a portion of your wages whenever you need it before payday. Privately and securely, through the Rain App.

Rain is here for you:

- Avoid payday loans, overdrafts, late fees and being caught in a debt spiral
- Turn your earned wages into cash by transferring money directly to your bank account
- Trusted solution, recommended by your employer and Smartlinx

To get started:

1. Make sure you have the latest version of the Smartlinx Go App
2. Go to your Smartlinx Go app and tap " Access Wage Now" button
3. Download the Rain app
4. Follow the steps to create your Rain account
5. Check your available balance and transfer your earned wages into your bank account
6. Schedule your repayment to Rain on your payday

Only \$3.99 per debit card or bank account for instant transfer. No interest or hidden fees
