

Make it easy for your employees to access wages when they need them.

Smartlinx and Rain gives your employees easy access to earned money anytime they want.

Why should you consider Rain?

Rain offers a solution for employees to turn their earned wages into cash in order to cover emergencies without getting trapped into a debt spiral.

How Rain works:

What makes Rain different?

- Seamless integration with Smartlinx
- There is no technical implementation required from employers
- No changes to current payroll systems
- No cost for employer
- No reconciliation with payroll
- Bank agnostic
